Notice for Expression of Interest for remediation of existing landfill/dumpsite of Cantonment Board Amritsar utilizing various methodologies/technologies

1. Background/Scope of Work

With an aim to make India clean, the Swachh Bharat Mission (Urban) was launched by the Government of India on 2nd October 2014. One of the key goals of the mission is to achieve 100% scientific processing of municipal solid waste (MSW).

As per the goals and objectives of the Swachh Bharat Mission, Cantonment Board Amritsar wish to undertake remediation of its landfill/dumpsite. Salient details of the said landfill are as below:

- a) Size of land: 15 acres (approx.)
- b) Estimated amount of waste already collected at landfill: 50 MT

This EoI intends to shortlist agencies capable of taking up remediation of the aforementioned landfill. The choice of technology/methodology/ business model is open at this time and will be decided by a technical committee of Cantonment Board Amritsar on evaluation of responses to this EoI. For the purposes of this EoI, remediation may be defined as one which either processes or does closure of the landfill and waste contained therein in compliance with various applicable laws, rules, norms and global best practices. It is to be noted that this definition is intended to be indicative in nature. The exact scope of work and other details will also be finalized at the time, and a tender process will thereafter be followed.
